Advertising

We advertise in the local newspapers when the requirement of a profile is specific, and not available in our data bank.

Head Hunting

There are times when a client asks us to locate a particular candidate for a specific position in their company. In such cases we establish contact with the specific candidates and have preliminary discussions on behalf of our clients.

Confidentiality

We ascertain that complete confidentiality is maintained regarding the details of our clients.

Verification of Candidates

We feel that candidate verification is the most important thing that many placement agencies miss out on while short listing them for positions. We take special efforts and use our faithful sources of information to find out full information about a specific candidate. We check to see if the candidate does not have a criminal record, has authentic degrees and certificates, was having good conduct in his previous employment, etc.

Interviews

After company shortlists candidates for further processing, we arrange interviews at a time, place and day suitable to the company.
